

# ***North American Police Work Dog Association***

## ***2009 National Workshop***

June 18 – 27, 2009, Northbrook, Illinois

**Hosted by:**

**Illinois Police Work Dog Association**

(ILPWDA)

Workshop will cover all Utility phases, including tactical techniques and scenarios, plus the specialty phases of narcotics, explosives, cadaver, and accelerants. All levels of experienced K-9 teams are welcomed as training and classes are geared to the experience level of the individual teams.

### **Training:**

We are looking forward to showing everyone the training areas and new training opportunities this year. These opportunities include rappelling with your partner, large bulk narcotics (and possibly explosives), night training, simulations training in a shoot house, search areas in hard concrete rubble, search areas in soft wood and other rubble material, a collapsed building, and other exciting venues. The majority of the training will be in one location with all other sites within an eight-mile radius. The distance from narcotics training site to the training site for the patrol training is less than 2 miles. We are providing extra training for bloodhound handlers and the handlers for Search and Rescue will have more advance training sites. If you would like to see one of the training sites please log onto the Northeastern Illinois Public Safety Training Academy web site, [www.nipsta.org](http://www.nipsta.org), and see the training facility. If you are a Bloodhound handler, Explosive, Arson (Accelerant), Cadaver or Search and Rescue handler please register by **May 1<sup>st</sup>** or at least contact us and tell us of your intent of attending this workshop. This will give us enough time to secure training aides additional trainers for these training venues. **You may still attend after this date – just please let us know ASAP.**

### **NOTE:**

**Depending on the number of Explosive Detection K9 Teams attending, ATF may participate by offering the National Odor Recognition Test (NORT). Any Explosive Detection K9 Team interested in taking the National Odor Recognition Test (NORT) should call Rich Olson at (630) 309-1782 with their intent of attending the workshop prior to May 1, 2009.**

**Additional information pertaining to ATF's National Odor Recognition Test, along with other classes offered, may be obtained by visiting the NAPWDA web site, click on this link to go directly to that page:**

Public Demonstration:	Thurs. June 25, 2009 7:00 pm
Banquet with DJ:	Fri. June 26, 2009 Crowne Plaza Northbrook, 6pm

**Family Activities:**

For those of you bringing your family we have some fun things planned! And being in the area we are – come early, stay late, and take advantage of a few family days yourself! We will be going to Great America on Wednesday. However, we have worked out a special deal with the park so our discounted admissions are good for either the 20<sup>th</sup>, the 21<sup>st</sup>, or the 24<sup>th</sup>. This way, if you'd like to go with your family, you don't have to miss a whole day of training. If you have your Six Flags season pass – bring it along for free admission. You may pick up your tickets at registration on Saturday and Sunday for the weekend admissions. Does your family love baseball? Why not check out the minor league team in town – the Schaumburg Flyers. They start a home stretch on Friday, June 19 and play just about every day until Sunday, June 28. Tickets are not expensive, the park is great, and if you want – you can even purchase on-line and save time. Check out [www.flyersbaseball.com](http://www.flyersbaseball.com) for more information. And don't forget Downtown Chicago with all it's great Museums and attractions is just a short train trip away!

Activities planned for during the week: Kohl's Children's Museum; a Day at Woodfield with your choice of visiting Legoland, Gameworks, or shopping at 2 different Malls; Six Flags Great America (or shopping at Gurnee Mills); Long Grove Chocolate Factory Tour, with the option of an afternoon visit to Long Grove.

**Host Hotels:**
